

MACGP Sponsorships

New Connections. New Opportunities.

As a sponsor, you will enjoy ample opportunities to:

- Promote your business or organization
- Expand your connections
- Maintain a consistent brand presence throughout the year
- Interact face to face with MAPGC members and guests
- Connect with decision-makers

Charitable gift planning has become increasingly important to the success of nonprofit organizations and the philanthropists who support them.

We invite you to be part of our growing network of professionals engaged in this important work as a sponsor today.
